Dear Dr. Glenn:

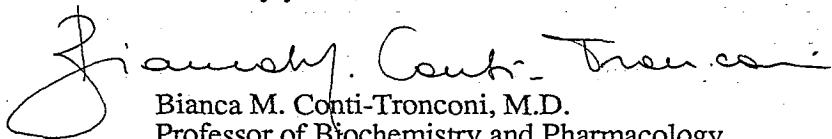

I would like to thank you and Dr. Ford for inviting me to join your Symposium on "Introduction to Neural Receptors". It was a very good short meeting, informative and enjoyable.

I enclose receipt of my travel expenses.

I very much look forward to your future large-scale meeting on the functional diversity of neuropeptidergic, next year, which promises to be an excellent, timely conference.

My best regards,

Sincerely yours,

Bianca M. Conti-Tronconi, M.D.
Professor of Biochemistry and Pharmacology
